

# Owen district forced to cut nine certified positions

**BY MOLLY HAINES**  
N-H Staff Writer

As school districts nationwide continue to struggle with budget issues, the Owen County School Board recently approved a staffing allocation that will leave the district short nine certified positions.

The pool of certified positions mainly consists of classroom teachers.

The board met March 22 for further budget discussion and also approved for the Owen County primary and elementary schools to share a media specialist and guidance counselor as part of the staffing allocation.

Under state law, the maximum class sizes are 24 students for one teacher in grades one through three; 28 students to one teacher in grade four; one teacher for a maximum of 29 students in grades five and six; and one teacher per 29 students in grades seven through 12. In grades seven through 12, there can be no more than 150 pupil instruction hours per teacher.

State law also mandates that each school have an instructional leader and access to a media specialist within the school district.

The staffing allocation approved by the board meets the state's minimum requirements.

Owen County School District Superintendent David Raleigh said he met with district principals Monday to go over the staffing allocation.

"They have to have the staffing allocation to their (SBDM) councils for review by May 1," Raleigh said. "The councils will determine what curriculum needs to be taught and make a decision on positions based off of that."

A total of 12 positions will be lost due to a shortfall in enrollment.

Raleigh said even if the board had not approved the staffing allocation, three certified positions would have been lost due to the shortfall.

"We have to be fiscally responsible," Raleigh said. "We could have looked at little \$3,000 or \$4,000 things, but we had to look at what was going to make a difference right away. This was a difficult decision and obviously we don't feel this is what's best for our students, but it's

The Owen County Volunteer Fire Department has a new addition to its team that chief Robb Chaney said will better help protect the people and property of Owen County.

The department unveiled its new fire truck, a 2011 International, March 22.

Chaney said the truck committee met for four months, five nights a week, in order to choose the truck they felt was best for their department.

The truck committee was made up of Chaney, Greg Estes, Jeff Wright, Marlin Webster, Jackie Webster, Darrel Hearn, David Lilly, Rick Morgan and Josh Willobuy.

"We ask our members who would like to be on the committee," Chaney said. "If no one comes forward then we ask for a couple of volunteers and let the executive board take over."

The executive board is made up of the chief,

assistant chiefs, secretary, treasurer and records officer.

All members of the truck committee are on the executive board except for one, Chaney said.

The National Fire Protection Agency requires fire departments to purchase a new truck every 20 years.

"The idea to pursue a new truck came from former chief Larry Karsner," Chaney said. "It was further discussed as a group and we decided we'd go ahead with it."

Counting Owenton trucks, Chaney said

Over 40 years after dying in Vietnam, Owen man's legacy lives on with friend and family

# A remarkable anniversary

**NEWS-HERALD**  
Staff Report

It all started with a phone call.

On Jan. 11, 2011, a phone call was received at the Owen County High School. The caller was searching for family members of Robert (Bobby) Osborne. The schools seemed like a logical place to start.

The caller, Mike Harris, was looking for Bobby Osborne, the son of Porter and Christine Osborne.

After a conversation, an email outlining Harris' request was sent to the staff, teachers and administrators of the Owen County School District to see if anyone knew Bobby Osborne and that someone was seeking this information.

Two staff members quickly contacted Kim Fitzgerald Duvall, Bobby Osborne's niece, and shared Harris' request.

Duvall contacted Harris, a former resident of New Liberty, to let him know that Osborne's family was still in Owen County.

Harris asked if he could meet with some of his old friend's family including his brothers and sisters Bonnie Fitzgerald, Beverly Stewart, Donna Scott, Larry Osborne, Gary Osborne, and

Dennis Osborne.

Harris shared his stories of his friendship with Bobby Osborne. They went to school together in Owen County. They played basketball for the Owen County Rebels.

Another thing they had in common is that they both served in Vietnam at the same time.

Mike Harris made it home.

Bobby Osborne did not. He was killed March 23, 1969.

Emails and phone calls went back and forth between Osborne's family and Harris as they tried to arrange a meeting.

Harris said he felt that he needed to meet the family to put closure to Bobby's death.

Although Harris and Osborne served in different companies while in Vietnam.

Harris learned of Osborne's death too late for him to come home to attend the funeral.

Thursday, exactly 43 years to the day of Bobby Osborne's death, Harris called Gary Osborne to say

**Volunteers go live with new site dedicated to promoting county through the Internet**

**BY MOLLY HAINES**  
N-H Staff Writer

Anyone with a computer and Internet access can now find out everything there is to know about Owen County after a new website recently went live.

The website was created by Holly Bowling, a member of the Owen County Visioneers, Shanna Osborne and Brad Allnut.

Bowling said she was ask to join the Visioneers last spring and that a website had been in their plans in an effort to promote tourism in Owen County.

"They really want to emphasize on tourism," Bowling said. "You can't really do that without getting information out there on the net. We were definitely behind the times. Owen County doesn't have any source of media outside the newspaper and the Internet is almost like the new age of the telephone."

Bowling said the next step is to get links for local businesses on the website.

"We're trying to encourage people to give us as much info as possible on organizations who don't have the funding or resources for their own website," Bowling said. "They can create their own page and edit it and we will act as big brother over the website. The Owen County Arts Council will have a page and so will Becca's Toppers."

Bowling said the goal is to eventually make

tough times across the board.”  
Raleigh said principals understood the district’s struggles and were cooperative with the board’s decisions.  
“They understand that it’s not the

board’s fault, it’s not the superintendent’s fault,” Raleigh said. “They know this is just what had to be done. Nobody likes losing staff, but we take things together and work as a team.”  
A tentative budget must be approved and submitted to the Kentucky Department of Education by May 21 with at least a 2 percent contingency.

the Owenton/Owen County Volunteer Fire Department currently has eight trucks, the oldest a 1970s model four-wheel drive.  
Chaney said every year the department applies for a grant to purchase a new truck, but is denied ever year. The department was able to purchase the approxi-

mately \$192,000 truck with fire dues and tax money.  
“With the citizens fire dues we were able to purchase a new truck,” Chaney said. “We wouldn’t have been able to do this without the citizens of Owen County. This was solely left in their hands. Without them we might have been four or five more years down the road before we could have got a new truck.”

Additional equipment for the truck was purchased with FEMA money.  
“We have 42 members including our junior firefighters,” Chaney said. “They all have different backgrounds, but when we put them all together they form a team fighting for one goal – to save life and property. This new truck will help us out even more.”

## Kentucky to share prescription drug data with other states

**KENTUCKY PRESS ASSOCIATION News Service**  
Kentucky will sign an agreement to share and receive prescription drug dispensing data with at least 20 other states, which will help the state monitor prescription drug abuse, Gov. Steve Beshear announced Tuesday.  
The Kentucky All Schedule Prescription Electronic Reporting program has joined the National Association of Boards of Pharmacy’s Prescription Monitoring Program InterConnect, which facilitates the transfer of information to authorized

users in other states. Specifically, the PMP InterConnect links participating programs to provide a more effective means of combating drug diversion and drug abuse nationwide.  
The blight of prescription drug abuse is tearing our families and communities apart, and we must use every tool available to attack this deadly scourge on our state,” Beshear said in a statement. “One of our key strategies is sharing information with surrounding states, so that we can not only cut off access to abusers, but also identify the problem prescribers.”

the website a source for everything Owen County.  
“Whether you’re a visitor or a local, we want this to be the place where you can find all the information on events and businesses you need,” Bowling said.  
The behind the scenes work on the website was done by Osborne who

volunteered her efforts for the website, while Allnut did graphics for the page.  
Bowling and Osborne will be updating the wbesite.  
“All of the work was volunteer and we were able to create the page from donations,” Bowling said. “Donations to keep the page going can be made to the Owen County Chamber of Commerce in care of the Visioneers.”  
Bowling said she

encourages anyone with a business or organization to fill out the information to become a part of the page.  
Those interested in becoming part of the business directory may fill out the information at <http://www.myowen-countyky.com/tourism/business-directory/>.

that he would be passing through Owenton and would it be possible to meet with him and any other family members that would be available.  
Harris knew it was short notice but hoped some family could meet with him.  
The family rallied together to once again share the memory of their lost brother.  
Gary Osborne immediately called his brothers and sisters and they all could meet that very afternoon.  
Harris said he didn’t know why, but Bobby Osborne was very heavy on his mind that particular day.  
Once he met with the family, he discovered that 43 years ago that day was the day Bobby was killed.  
Harris and the members of his friend’s family decided they would meet at the Owenton Cemetery, to share stories and pay their respects at Bobby Osborne’s grave.  
After a brief meeting at the cemetery, Harris

and the family went to Family Billiards to share more stories and memories.  
Harris offered the family a glimpse into another side of their brother through the memories and stories of friendship.  
The family said Harris was able to share stories about Bobby Osborne

he had kept treasured in his heart for all these years and was willing to let the family enjoy.  
After Harris left, the family said the meeting helped him heal as much as it helped them.  
They vowed to meet again to honor their fallen brother.

General stores brought communities together

Every possible nook and cranny was enlisted to display the unique, the unusual, or the most current sought after item.

Shelves were packed with canned goods, oil lamps, material by the yard, and the latest remedies for coughs and colds. Staples such as flour, sugar, coffee, and meal were in plentiful supply and the candy case offered a wide variety of sweets to the delight of local youngsters.

Over the years, the traffic of a multitude of feet wore a smooth path into the rough wooden floor boards and sagging benches on the front porches were hosts for friendly fellowship and intent whittlin’.

Owen County general stores not only provided necessary supplies but, second to the churches, were a vital community gathering place to exchange county news.

Almost every community in Owen County boasted of at least one general store, and if the population warranted it, several stores would locate in the same community. Each store would compete to offer the best product at the lowest price.

The “Kentucky State Gazetteer and Business Directory,” published in 1876-1877 listed many of these local general stores.

In New Columbus they were the J.W. Ireland General Store, the P.M. Riley General Store, one owned by F.G. True, and another by J.B. Price.

Poplar Grove listed one general store with B.F. Slaughter as proprietor.

The population of Owenton in the years 1876-’77 was 700 and the general stores were listed as owned by James P.Cox, F. & A. Cox and Co., Rueben B. Craig, Solomon Klein, Abraham Levy, W. Bower Roberts, Stamper and Son, and George F. Waldrop.

I have yet to find anyone who remembers the location of an Owen County community called Lone Oak. It was listed in this directory with the following note: “A discontinued post office in Owen County, 7 miles from Owenton, and 5 miles from Sparta, at which place it receives its mail.”

One lone business of the E.F. Kayle General Store is included in this listing at Lone Oak.

BONNIE STRASSELL  
News-Herald  
Columnist

New Liberty, Gratz, Bromley, Monterey, Bethany, East Eagle Hill, Harmony, Harrisburg (now Long Ridge), Jonesville, Lusby’s Mill, and so many other communities were home to thriving general stores, many of which also provided huckster services.

Somehow front porches invite both young and old to share in stories of the best tobacco, the fastest horse, the biggest fish, or the worst winter.

Invariably conversation on the front porches of general stores would swing from politics to the weather, then on to “when I was young” stories.

In the summer, children would accompany grandpa and sit on the front steps of the general store as they listened in wide-eyed wonder to stories of Indians and Owen County pioneers. Owen countian Sam Riley,

remembers as a young boy sitting on the porch steps of the local country store in Wheatley and listening to stories told by the men of the community.

Some of these stories centered around white Indians, a few with blue eyes, who it was said roamed the hills of Owen County long ago.

Over the years, communities dwindled and these general stores closed. But the memories of the thick sliced bologna, the sticks of “Kiss Me” gum, and the character of the people who frequented the environs of the Owen County general stores serve as an unforgettable reminder of a rich American tradition.

It is always a time of sadness when a member of the Owen County Historical Society passes, but it is especially tragic when that member is a young and vital person who gave so much to her family, her community, and her county.

Lori Powers will forever be remembered, not just for her trademark sweet, gentle smile, but for her dedication to the preservation of history and genealogy. We will miss her vitality. Most of all,

though, we will miss her presence, not only because she infused energy and life into the historical society, but because she served as a stunning example of the fortitude and determination that defines an outstanding person.

Lori Powers has left a rich legacy to those of us who knew and loved her.

May 26, 2012 is the day set aside for the dedication of the state highway marker commemorating both the Karsner Air Field and Harry Clark Karsner, who brought aviation to the county. It is fitting that this celebration be held on Memorial Day weekend. Many of you have been enriched by Clark’s message of “Christ Is The Answer” affixed on the side of the Karsner hangar. If you have an opportunity please join us in the dedication.

We would like to extend an invitation to everyone who is interested in preserving history to join the Owen County Historical Society. The cost is \$25 a year and entitles you to a year of fellowship and fun with your historic minded Owen County neighbors.

LETTERS TO THE EDITOR

Truck will help our community

The Owen County Volunteer Fire Department would like to thank the following people:

- Vogel/POH/Fire Services and E-One for building our truck.
- The 2011 Owen County Volunteer Fire Department truck committee was Robb Chaney, Greg Estes, Jeff Wright, Marlin Webster, Jackie Webster, Darrel Hearn, David Lilly, Rick Morgan and Josh Willobuy for countless hours of meeting, discussing what we needed.
- To our members of the Owenton/Owen County VFD for allowing us to do this.
- Owen County Judge-executive Carolyn Keith, Casey Ellis, Troy Bramblett, Teresa Davis and Asa Phillips for the support and confidence they have in us.

We want to say thank you to the citizens of Owen County for support. This new equipment is theirs

as much as it is ours. Through their taxes and donations through the years it made it possible for us to purchase this truck, allowing hopefully for a lower ISO rating for our area. Also providing another VFD certified truck to arrive on the scene with.

As chief of Owen County VFD, I want to say thank you for making a dream possible.

To all members of the Wheatley, Owenton, Owen County, New Liberty, Monterey and South Owen fire departments, thank you for your input.

To the citizens in Owen County, I personally want to say thank you. Without your love and support this would not have happened.

To our truck committee, I know you gave up hours upon hours of your time away from family, friends, kids and grandkids to make this a priority. I know your

love for this department, county and for the citizens that live here. Without your deepest concerns this would have not been able to happen.

To our members at Owenton/Owen County, I know you all give countless hours training, runs, whether it’s fire, wreck, EMS, etc.

You all are truly amazing in my eyes. Each one of you have a special talent that I see and the community sees. I’m very proud of each one of you. Without you our team will fail, the number one thing to remember is it takes a team to conquer all things possible. To the members of Owenton/Owen County fire department we are one team striving to be the best we can be when called upon. Again, thank you all.

Grassroots helps keep party strong

I am writing to thank the Owen County Republican Committee for inviting me to speak with them at The Smith House recently and to congratulate them on their successful re-organization this year.

As many people know, the Republican Party is organized from the grassroots upward every four years. People meet in their own precincts to select officers and delegates. Those officers and delegates then meet at the county convention followed by the district convention, state convention and eventually the national convention this fall to establish a

platform and to nominate a candidate for president. The role of the county party in this process is vital and provides tangible proof that we are, as Abraham Lincoln said, a nation “of the people.”

I would also like to congratulate the members of the Owen County party for adopting resolutions expressing support for life. Defending the most vulnerable among us, including the unborn and the elderly, is a major reason why I am running for Congress. Protecting our senior citizens and unborn children have been issues near to my heart for many years

and are now central to my campaign for Congress.

And last but not least, I applaud and support the resolutions passed by the committee which stand solidly behind Israel and in defense of its right to Biblical borders.

We should not, cannot, and must not as a nation, ignore the covenants of the Bible. We are one nation, under God and it is by his grace, and upon his authority we must act in defense of his creation. Thank you for taking a stand.

The battle for the soul of Kentucky will take place Saturday

An intervention in New Orleans

It’s no secret that divorce can have a terrible impact on children. Some kids act out, get in trouble with the law or start hanging around the wrong crowd.

This new crowd may lead to terrible changes in their behavior or world viewpoint.

This happened to my own daughter Elizabeth.

After our separation, Elizabeth moved to Louisville to live with her mom. I stayed in the bluegrass area.

She quickly fell into the wrong crowd and that moment most fathers around here dread happening happened.

She became a Cardinals fan. Since she declared her appreciation of the University of Louisville, we have tried to keep a peaceful truce. She tells me that she roots for the Wildcats if they aren’t playing Louisville and I assure her that I pull for the Cards if they aren’t taking on Kentucky.

I suspect we both know the other is lying.

I’ve used reason, facts, figures and statistics in a futile attempt to bring her back from the dark side.

She won’t be deterred.

But Saturday, I will be holding my own version of an intervention.

The Cats and Cards will square off for a shot at the NCAA National Championship game.

With long history as regional rivals, the high stakes and the presence of Kentucky’s former head coach Rick Pitino on the sidelines for Louisville, this game has all the markings of a classic battle.

Saturday, my beautiful, clever, insightful, funny, sweet but slightly delusional teen-age daughter will plop down on the couch with me. We will share a big bowl of popcorn and maybe some Big Red, just for laughs.

And we will watch together. And like all fathers, I will endeavor to show my child the errors of her ways.

# Tiger, Cats and birthdays mean time to party

I've had a very good week. I got all my yard mowed, played bridge on Tuesday and both Tiger Woods and UK won their prospective tournaments. It's on to New Orleans for the Cats and Tiger to the Masters. The Easter flowers have bloomed and wilted, the peonies are already above ground and will have bloomed and faded long before Memorial Day, the white blossoming trees are leaving out and the red buds are in full bloom. We are in a cold snap at the moment, it only got to 62 yesterday. Could this be red bud winter? I called Fay this week. She and Wanda had also been

working on their yards. Wanda said her adventure of the week was to get on horseback and help herd cows from one pasture to another. She said she was a bit hesitant because she hadn't been on a horse for 12 years but they got the job done. She didn't say who's cattle she was working. Fay didn't mention moving any cows, so the mystery cows shall remain a mystery for this week anyway. Fay has been helping Nichol Roberts with her Bible drill for Sunday School class this winter. This Sunday, Mount Vernon had the Bible drill finals. Nichol passed with flying colors. Afterward,

the congregation went to Frankfort to lunch and to celebrate Nichol's good memory. Congratulations to Nichol. Wanda said she noticed the "welcome flag out" and found out that Rosemary had reopened her beauty shop she built on the corner of her property below her house. She didn't mention it at church Sunday. I guess we were too into basketball. She and her brother are big Louisville fans. Wanda said Ginger Carpenter is working there a few days a week. Barbara, David and Bryan went on a mini-fishing vacation in Alabama last week. They hooked up with friends

when they got there. David said he wasn't in the mood to fish but it was nice to get away for a while and he enjoyed watching the others from his easy chair. He said it was good to spent time with his old fishing buddies. David didn't say if they actually caught fish but it was a good trip for all. Last week was both my granddaughters' birthdays. Well technically, Sarah's was the 27th and Rachel's was the 23rd. My weeks seem to run from Wednesday to Wednesday. They have gotten to the age where the cake no longer is decorated with the birthday girl's actually age. So I will just say happy birthday girls.

I got all the yard mowed and was able to squeeze in some bridge work last week. Now it's to do all over again. We didn't get the bridge completely repaired. It's usable but John wants to reinforce it with large rocks and concrete. Hopefully, we'll get that done this week. Jean Zeitz is still house bound. Mike Raiser said he saw her brother Kirk at the store last week. He has been staying with her days so Gray can get some work done in the print shop. Hopefully she will be on the road to recovery soon. Our prayers and good wishes go out to her.

JOHN GUILL CHAPTER OF DAR EXPLORES KENTUCKY HISTORY

# 'Rebecca Boone' pays a visit

BY PEGGY TRINKLE  
John Guill Chapter, NSDAR

The John Guill Chapter, National Society of the Daughters of the American Revolution, held its March meeting at the Owen County Library March 7 with guests from the Susannah Hart Shelby Chapter, NSDAR of Frankfort.

Our guest speaker Bonnie Strassell of Poplar Grove, a storyteller who has portrayed many women in history, brought to life Rebecca Boone, an American pioneer and wife of Daniel Boone, the famous frontiersman who led many hunters and settlers into Kentucky.

Strassell, as Rebecca Boone, entertained the DAR members and guests with her story of her life moving from her home in North Carolina to the unsettled Kentucky territory, full of wild game and the Indians who hunted there. She was often on her own when Daniel would leave to explore new territory, go on long hunting expeditions or salt-

making trips. Daniel was held captive by Indians for about two years and was thought dead before he escaped. Rebecca gave birth to 10 children and raised her orphaned nephews and cousins. Her son, Israel, was killed by Indians at the Battle of Blue Licks. They moved many times while in Kentucky and after losing title to their lands in Kentucky, moved to Spanish territory, now Missouri, to be near their son, Nathan until they died. Her and her husband's remains were moved from Missouri to the Frankfort cemetery in 1845. The life of a pioneer, especially a pioneer woman, was hard, fraught with danger and uncertainty.

Our next meeting is Wednesday 1 p.m. at the Owen County Public Library.

Teresa Biagi will be the guest speaker sharing information about organic gardening at her Hazelfield Farm. Phyllis Malcomb and Becky Duvall will have refreshments at the meeting.

Weekend Gardener By Jeneen Wiche

# Asparagus is an investment

I am only now recovering; it has been four days since Andy and I planted out 100 asparagus crowns. Planting asparagus is an investment on all accounts, time, labor, money, patience and then the big payoff, which is fresh asparagus for 2 months each spring right from your own garden.

This is the second time I have participated in an asparagus planting extravaganza (I told Andy when we were finished two times in a life time is enough for me). I planted asparagus with my father nearly 30 years ago and we are still enjoying the bounty from that original planting so, you see, the investment is worth it all around.

Perhaps you are not interested in the volume of work and yield that 100 crowns offers so maybe 25 planted in a permanent spot in the garden will suffice. Asparagus is a perennial so be certain about where you plant and be serious about preparing the planting bed. This is the hardest part but once it is done, it is done! Asparagus will continue to produce for 30 years or more if it is properly maintained, our original planting is proof of that.

Prepare a 10-inch deep trench that is about 2 feet wide; add lots of organic matter-like composted manure if your soil is clayey. We use a stagger pattern to plant the crowns, imagine the paw prints of a cat and plant accordingly, spacing the center of the crowns about 12 inches apart. To get asparagus started it is not a bad idea to add a little phosphorus into the mix so I sprinkle a little bone meal into the trench before spreading out the roots of each crown and planting. Cover the crowns with about 2 inches of soil, reserving the remaining soil for later.

The unique thing about planting asparagus is

**JENEEN WICHE**

News-Herald Columnist

that we add soil gradually over several weeks. Cover the crowns little by little as they merge from dormancy and poke above the soil surface; that's our prompt to add some more soil until we are back even with the soil surface. Keep the plants evenly moist during this time.

When you purchase your asparagus crowns it will be noted how old they are (you can tell, too, by how robust they are) if you purchased 2-3 year old crowns you can start harvesting a little by next year but it really is best to leave them be during the first year so they can go straight to fern. At the fern stage the plant can maximize photosynthesis and pack in the energy to develop a strong root system and therefore higher yields next year. Harvest a little next year and then you should be ready to really enjoy by the third year after planting

Long term maintenance includes weeding (which, as a perennial crop, does become a problem after years in the same place, try using corn gluten as a preemergent); also don't cut asparagus tops (the ferny growth) back until it has naturally died back; the plants need to store energy throughout the summer and fall through their foliage for a good crop the following spring. In fact, we have been burning our dried fern debris in late winter; this also accomplishes some pest control by burning any eggs of the asparagus beetle that might remain from the previous season.

You can fertilize during active fern growth after the harvest season with composted manure or a balanced granular.

## ABANDONED DOGS

Abandonment comes in many forms and fashions when it comes to people surrendering their responsibilities of family pets. This week, OCFA dealt with people dropping dogs in the community, moving and leaving pets alone, and one female yellow Lab mix was tied to the shelter door and left there to fend for herself until someone arrived the next morning. With this last case mentioned, surveillance cameras may prove beneficial so that criminal charges can be pursued. If you recognize any of the dogs pictured, or need to reclaim your lost pet, please call: 502-514-1897. Spay and neuter and educate your neighbors on proper pet care. We can do this! All support is appreciated.

# Record-smashing week for Owen track

## Boys team breaks 14 records at annual GOPW meet

BY BRIAN BLAIR  
N-H Sports Reporter

It was a week of winning for the Owen County High School boys track team. The Rebels competed in a pair of meets and won them both.

The first victory came at home as Owen County hosted the GOPW Gold Medal Meet. The event included Grant County, Owen County, Pendleton County and Walton-Verona.

The Rebels easily won the meet as they scored 104 points. Grant County finished second with 80 points.

In the 100-meter dash, Paul Banks won the event and set a new meet record with Cooper Taylor in fourth place, Cory Cannon in sixth and Chris Smith in seventh.

Collin Trammel set a new meet record in winning the 200-meter dash.

Cannon finished in fifth place and Michael Wash was sixth.

Bobby Mingie set meet record in winning the 400-meter dash while Will Dempsey placed seventh and Bernie Engleman 10th.

Nathan Rivera finished in third place, Cory Hudnall captured sixth place and Logan Bitler came in eighth in the 800-meter run.

Hunter Trenary finished third in the 1600-meter run with Hudnall in sixth, Bitler in eighth and Cody Gray came in 10th.

Trenary then set a new

meet record in winning the 3200-meter run with Hudnall in sixth, Bitler finished eighth and Gray came in ninth.

Darian Polley and Avery Gover finished first and second in the 110-meter hurdles. Polley also won the 300-meter hurdles with Gover coming in third place.

The relay teams dominated winning three of the four races. The 4x100 and 4x200-meter team of Banks, Trammel, Mingie and Polley set meet records in winning their races. The 4x100-meter team also set a new school record with their time of 45.54 seconds. Banks, Dempsey, Avery Gover and Mingie won the 4x400-meter relay. The 4x800-meter team of Bitler, Trenary, Hudnall and Rivera finished fourth.

Meet records were also set in the discus and shot put.

Daniel Cummins won the discus while Robert Beverly finished sixth and Trenton Meadows eighth. Meadows won the shot put with Beverly in third and Willie Johnson came in eighth.

Trammel finished first in the long jump and Taylor came in third in the high jump.

Cody Downey finished second in the triple jump with Smith in third, Wash finished fourth and Evan Lozier was eighth.

The boys traveled to Bracken County to take part in the Glacier Invitational Saturday. Again the team would

come out on top in the points standings as they finished with 171 points. The second place team Nicholas County finished with 99 points.

In the 100-meter dash, Banks finished second and Smith came in third.

Both breaking the previous meet record. Smith then broke the meet record in finishing second in the 200-meter dash. Cummins would finish third in the 200-

meter dash. Mingie and Downey placed second and eighth in the 400-meter dash. Mingie's time broke the previous meet record. Polley and Gover placed third and fourth in both the 110-meter and 300-meter hurdles. Gray and Bitler placed seventh and eighth in the 800-meter run while Trenary finished second including breaking the meet record and Hudnall sixth in the 1600-meter run. Trenary

also set a meet record in winning the 3200-meter run while Hudnall finished second.

Both the 4x100-meter and 4x200-meter teams of Banks, Mingie, Trammel and Polley set meet records in winning their races. Smith, Cummins, Gover and Wash finished third in the 4x400-meter relay while Hudnall, Bitler, Trenary and Gray placed third in the 4x800-meter relay.

Cummins set a meet record in winning the discus while Wash finished third.

Trammel set meet records in winning both the high jump and long jump. Downey and Wash finished third and fourth in the triple jump.

Willie Johnson placed ninth in the shot put.

The team will be back in action on Saturday at the All 'A' Classic At Walton-Verona.

## Girls squad turn in strong performances

BY BRIAN BLAIR  
N-H Sports Reporter

The Lady Rebels had two good days on the track last week.

Owen County finished second in the GOPW meet in Owenton on Thursday before placing fifth in the Glacier Invitational on Saturday at Bracken County.

On Thursday against Grant County, Pendleton County and Walton-Verona, the Lady Rebels had several solid performances.

In the 100-meter dash, Emily Allen finished second with Ashley Byers in fifth place and Ashley Williams came in seventh.

### Baseball

The Owen County High School Rebels picked up a pair of wins on the baseball diamond last week. Owen County began the week with a 7-3 win at Western Hills before returning home Thursday for a game with Frankfort. The Rebels fell behind 3-1 before rallying in the bottom of the fifth to take the lead. Owen County took the lead when Stone Osborne stole home with two outs in the inning. The 2-1 start for the team is the best since 2009 when the Rebels began the year winning three of their first five games. The team will next be in action Saturday when they play Dayton and Highlands in the Jim Dougherty Memorial Tournament.

### Softball

The Owen County High School softball team began their season last week with a pair of games. The Lady Rebels opened up with a home game playing Walton-Verona. The Lady Bearcats spoiled the afternoon with a 10-2 win. Owen County then traveled to play at Dixie Heights where they fell to the Lady Colonels 4-3. The team will travel to take on Carroll County on Thursday before hosting Pendleton County on Tuesday.

### In season

Joseph Maddox, the 10-year old son of Jody and Amy (Smith) Maddox and Susan and Church Saufley, recently harvested his first deer. The 7-point buck was taken on youth weekend on his grandfather Ray Smith's farm in Owen County while hunting with his uncle, Jerry O'Nan.

## New state survey finds Fishing in Neighborhoods program popular

A recent survey conducted at eight Fishing in Neighborhoods (FINs) lakes across Kentucky found the program both popular and helpful in recruiting new anglers. "Feedback has been positive," said Fisheries Biologist Dane Balsman, who manages the program for the Kentucky Department of Fish and Wildlife Resources. "About 85 percent of the anglers surveyed rated their overall fishing trip satisfaction as good or excellent."

The FINs program, which started in 2006 with five pilot lakes, now includes 35 lakes in 22 counties, with the addition of Madisonville City Park Lake this spring. The 14-acre impoundment in Hopkins County brings the total acreage enrolled in the program to 194.5.

Other encouraging findings from the survey were that 10 percent of anglers had never previously bought a fishing license and 25 percent had not bought a fishing license the previous year. "Through the program, we are retaining previous license buyers and recruiting new ones," said Balsman. "That's one of our goals."

Fishing license sales, excise taxes on fishing equipment and a 25 percent in-kind match from local governments fund the FINs program and annual stockings of fish.

Creating good fishing opportunities close to cities is a main goal of the program. Balsman

said about 2.2 million people, or about half of Kentucky's population, live in the 22 counties where the FINs lakes are located.

This year the plan is to stock more than 230,000 fish -- 132,500 nine- to 12-inch rainbow trout and 98,650 12- to 16-inch catfish. These fish are large enough to be harvested at the time they are stocked.

The special creel and size limits in effect on the FINs lakes spread out fish harvest, providing fishing opportunities for the maximum number of anglers.

The standardized regulations of all 35 FINs lakes include a daily limit of five rainbow trout with no minimum size limit and a daily limit of four channel and blue catfish with no minimum size limit. There is a one-fish daily limit on largemouth bass with a 15-inch minimum size limit and a 15-fish daily limit on bluegill and other sunfish with no minimum size limit.

Next spring, anglers will have a new fish to add to their stringers. "From our survey we found that a lot of anglers like to catch sunfish, so we're adding hybrid bluegill to the stocking plan," said Balsman. "It's a sterile, fast-growing cross between a bluegill and a green sunfish. Production has already started at the Pfeiffer Hatchery."

The hybrid bluegills will be stocked begin-

ning next spring on a lake-by-lake basis with some fish held in reserve for special events.

Despite all the successes, the future poses some challenges for the FINs program. "We're close to the saturation point on the number of lakes we can have in the program," said Balsman. "This is because we're near capacity for the number of fish we can produce at our hatcheries."

For more detailed information on Kentucky's FINs program, including lake maps and directions, fish stocking schedules and fishing regulations, visit the department's website at fw.ky.gov and click onto the "Fishing in Neighborhoods" logo.

Check out our other features of the March Fishing Madness Kickoff on a new page at the Kentucky Fish and Wildlife website at fw.ky.gov. If you plan to fish, you'll need to buy a new 2012 Kentucky fishing license, available in the sporting goods section of department stores and tackle shops. You may also buy one by visiting the Kentucky Fish and Wildlife homepage at fw.ky.gov or by calling 1-877-598-2401.

# Science Fair expands to a two-day event

The Science Fair was held two days this year. On Feb. 28, 133 students in fifth and sixth grades set up projects in the multi-purpose room in the Maurice Bowling Middle School. Every project followed the scientific method and was judged individually.

Special thanks to Tim Marcum, Jennifer Moore and Carol Wooten for their support.

The following day, 92 young scientists from grades K-4 set up projects in the elementary gym. While the competition was fierce and only a select few were winners, everyone took the opportunity to learn. All of the students experienced being interviewed by judges, receiving certificates, ribbons, pencils, water bottles, backpacks, and zip pouches. The top three in each grade received a gift card from Wal-Mart. The fair was sponsored again this year by Kentucky American Water. This year we had an additional sponsor, Itron. Dawn Davis contributed prizes that made everyone walk away a winner. Thanks to all the adults who worked and supported the students in this learning process.

## FIRST GRADE

*First place, Gwen Wolfe; second place, Lindsey Hobbs; and third place, Ellie Blair.*

## THIRD GRADE

*The third-grade winners were first place, Mary Gamm; second place, Claire Inman and third place, Carsyn Inman and Gregory Webster*

## FOURTH GRADE

*The fourth grade winners were first place, Ashley Buffin and Jacob Lilly; second place, Kelsey Davis and Alli Gill; third place, Carsyn Inman and Gregory Webster*

## FIFTH GRADE

*The winners were first place, Marissa Craig and Debbie Richey; second place, Jason Gray; and third place, Dakota Rodgers*

## SIXTH GRADE

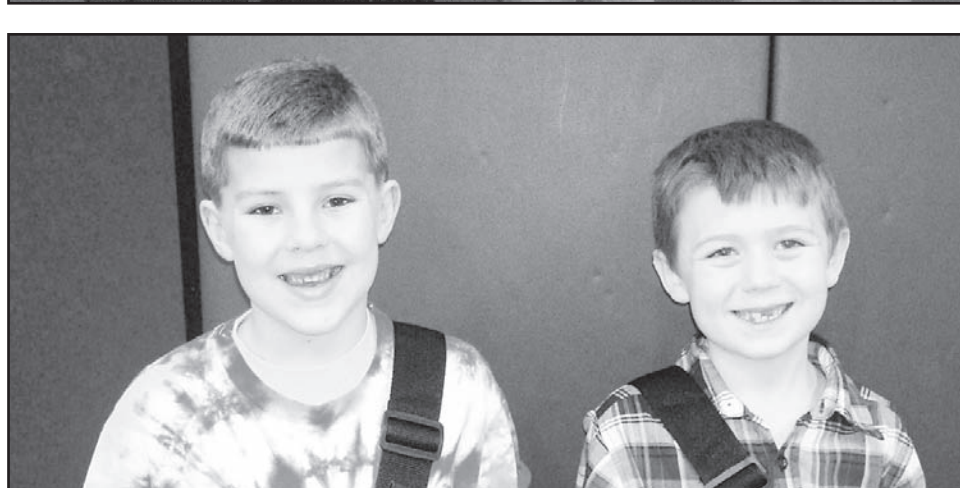

*The winners were first place, Grant McMillan and Grant Cobb; second place, Clayton Hensley and Morgan Ayres; and third place, Randon Hall and Nolan Hager*

## KINDERGARTEN

*First place, Brax Ward; second place, Kade New; and third place Emma Clark*

## SECOND GRADE

*The finishers in second grade were first place, Hagen New, Issac Wash and Madison Perkins; second place, Lincoln Cobb and Alexandria Perry; and third place, Colby Faulkner*

## CHURCH NEWS

### Beech Grove Baptist

“Praise be to the name of God forever and ever; wisdom and power are his” what a wonderful day to praise our God. Bro. Steve delivered the word from Isaiah 6:1-3 titled “Holiness of God.”

Children, remember our Easter celebration on Saturday at 1:30 p.m. at the church. Be sure to make your plans to attend.

The WOM is helping to support Kentucky Disaster Relief. Be sure to see one of the WOM women to get more details.

Our Annie Armstrong Easter offering will be collected now through Easter Sunday.

Be in prayer about how you can help spread the Gospel.

Remember the Good Friday service at the Owenton First Baptist Church on April 6.

May God strengthen you and help you this week. God bless you all. The doors of Beech Grove are open to you.

### Cedar Hill Baptist

We were blessed in the beginning of our worship with a special song by Tim and his son Luke. We also watched a short video clip of “That’s My King -Do You Know Him?” Bro. Bill’s message was from Matthew 21:1-10 on “Who Is This?”

Jesus was resilient. When his way was blocked, he went around as shown in John 12: 46-48.

Christ seeks all people, but does not force anyone. He gave glory to God. He is faithful. He leads us where we could not go alone as shown in Luke 19. Our lives are to reflect Jesus. We are to be resilient, thankful, faithful followers of Christ. As declared in I John 2:3-6 if we know Him we will be obedient to Him.

Sunday evening, we continued our journey in Joshua, looking at whole-hearted commitment to God. Our number one priority as a family of God should be concern for those outside the family of God. We must not let jealousy, hatred, unbelief disrupt the family of God and its commitment.

Tonight (Wednesday) is AWANA at 6 p.m. and family fellowship at 6:30 p.m. Come, share in the excitement of what the children are learning and doing. If you need transportation call 484-5236 or 514-1594.

Join us Sunday evening at 6 p.m. as we watch the movie “The Passion of Christ.” It is a heart-rendering portrayal of what Christ did for each one of us.

Remember Kendra Quire, B. Bramblett, Evan Bramblett, Kyser Bottoms, Tim Smith, Barry Howard, Ricky Howard, and Mary Riddle as they have had or will soon have surgery. Pray for the military, our government, the lost, and one another.

Upcoming events include Easter egg hunt April 7 at 11 a.m. and Sunrise service on April 8. Come worship with us each Sunday at 9:45 a.m. for small group Bible study and 11 a.m. and 6 p.m. for worship.

### Elk Lick Baptist

Bro. John’s sermon was on Luke 9:57-62, “Consider the Cost.” In these verses Jesus warns the men to consider the cost before they follow him. He wanted them to be sold out to him, no turning back to cares of the world.

Followers of Jesus have no earthly security. They have no ties to this earth. They have no earthly distractions. If we follow Jesus, we shouldn’t look back on worldly things. We need to keep our focus on Jesus and the work we need to do for him.

To follow Jesus, we need to count the cost, leave earthly things behind. Don’t look back on pleasures of the world. If we don’t put Jesus first, we will lose eternal life, no guidance in this life and no opportunity to glorify God.

Louise Johnson sang “Church In the Wildwood.” Bonnie Woodyard sang “It Must Have Been the Blood” on Communion Sunday.

Pray for the sick and upcoming surgeries, shut-ins, missionaries, military, special prayer list, unsaved family and friends. Happy birthday to Billy Ellis. Happy anniversary to Buddy and Wilma Cull. Thank you Jesus for your amazing grace and answered prayers. Use our sickness for your grace and glory.

### Epoch

Pastor Trent’s Sunday evening sermon reinforced the importance of each Christian having a prayer closet and a personal relationship with God outside corporate worship.

Epoch Fellowship will host a presentation by Jews for Jesus missionary Steven Katz Saturday.

Katz will be speaking on “Christ in the Feasts” and all are welcome. Lunch will be provided and the event begins at noon.

The Wild Goose is proud to continue its partnership with Sisterly Touch to serve lunch Tuesdays and Thursdays 11 a.m. to 1 p.m. Thursday’s lunch will include taco salad and chicken salad on croissant or salad greens, and dessert.

Upcoming events at The Wild Goose include a basketball party on Saturday evening beginning at 5 p.m. Brittany Gillstrap will perform live during lunch April 3 and 17, and at a dinner event with Sisterly Touch April 14. Mandy Holbert will also perform at a dinner event on April 28. Crosstithes will hold a Relay for Life fund raiser on May 12.

The Wild Goose is available to be rented for your event. Call Carrie Ashcraft-Sutton at 859-609-0090 for information. The Wild Goose Cafe is a ministry of Epoch Fellowship and returns all profits to local charities such as R.E.A.C.H. and Meeting the Needs.

Epoch Fellowship’s weekly meetings include youth on Tuesdays at 6 p.m.; Adult Bible study on Wednesdays at 6:30 p.m.; worship service Sundays at 6:30 p.m.

### First Baptist Owenton

Proverbs 14:14 says, “The backslider in heart is filled with his own ways.” In Luke 15, Jesus gives us

a perfect picture of the progression and reclamation of the backslider in the story of the prodigal son. Our message during the morning service dealt with this danger. A Christian who has backslidden is in a very precarious position. He is in a rebellious state removed from the Lord’s presence, protection, and provision. God never blesses rebellion. He not only refuses to bless, He often sends obstacles to awaken us. But thanks be to God that there is hope. When we become aware of our true condition and return through repentance, there is hope for restoration, reinstatement to a place of blessing, and rejoicing. If you find yourself away from the Lord, it’s time to come home.

We had an awesome day of praise and worship this past Sunday. Our early service just seemed to have the presence of the Lord upon it. During the evening service we were greatly blest through the ministry of Dave Stahl. It was a great evening of worship with a mixture of hymns, praises, and spiritual songs.

Our Easter Cantata will be presented April 8. We will also host the Community Good Friday service on April 6 at 7 p.m.

The Pastor’s Prayer Gathering will be this Monday at 7 p.m. All pastors are invited to come and pray for spiritual awakening. This Sunday will be the final Sunday that we are receiving an offering for home missions.

Tonight is family night and we will begin with a potluck meal at 6 p.m. Our mission groups will be meeting and the youth will have their group gathering. The youth small group studies are still meeting on Sunday’s at 6:30 p.m.

You are encouraged to be found in the house of the Lord this Sunday for Sunday school and worship. We invite you to come and be our special guest. See You Sunday.

### First Christian

Bro. Greg’s message “Melchizedek Who?” was taken from Hebrews 5:5-10 on Sunday and the choir sang a beautiful special, led by Berna Tanksley. First Christian is hosting the community Maundy Thursday service again this year on April 5 at 7:30 p.m. Plan to join us for this moving pre-Easter service with the Last Supper re-enactment and special music.

First Christian’s annual Easter egg hunt will be held April 7 at 2 p.m. at the home of Holly and Craig Bowling. It will be moved to the church if it rains.

We are looking forward to performances by our men’s chorus on Palm Sunday and Easter Sunday during worship.

The FreeStore Mobile Food Pantry will be at the First Christian parking lot Saturday from 9 a.m. until 11 a.m. Owen County residents who have a need for food should call the church (502) 484-3451 to reserve one of the 200 available vouchers.

### Monterey Baptist

A men’s prayer breakfast will be Saturday at 8 a.m. followed by the conceal/carry gun class.

Weekly Wednesday night prayer services will be held at 7 p.m.

During Wednesday night team kid activities, children will be practicing for an Easter interpretative movement presentation. Children who want to participate should attend on Wednesday nights at 7 p.m.

Help us restock the shelves at Meeting the Needs by adding to the food tree in the church sanctuary. Please have your food donations to the church by April 22 to be delivered to Meeting the Needs on April 26. Items needed are cereal; peanut butter; jelly; hamburger/tuna helper; spaghetti and sauce; tuna; soup; ramen noodles; and canned fruit, vegetables and pasta. The next service night for our church is April 26 from 6-8 p.m.

A sunrise service will be held in conjunction with Old Cedar Church on Easter morning. An Easter egg hunt will follow the morning worship service April 8. Please bring wrapped candy and or plastic eggs for the Easter egg hunt and place the donations in the box in the back entryway.

We will host a wedding shower for Nathan Carter and Kara Kistner April 22 at 2 p.m. in the fellowship hall.

Crossties will be signing at MBC on April 29 at 7 p.m. Desserts in fellowship hall will follow.

Kathy Slone is trying to earn money for her mission trip this summer. If you need an extra set of hands, Kathy might be able to help you for a donation. If you would like a date night, Kathy might be available to baby sit, too.

The backpack program packs 400 bags a week. Please save your plastic bags and give to Marsha Derringer.

Upcoming dates: Saturday is men’s prayer breakfast at 8 a.m.; April 4 is foot-washing service; April 8 is Easter Sunday with an Easter egg hunt for the children.

If you are interested in mowing the church property in town, please submit a bid to Chris Morgan by the end of March.

### Mount Pleasant Baptist

“In the Garden” was beautifully sung by Barry Winkle Sunday morning. Bro. Jesse Bourne brought our morning and evening messages. John 1:19-27 was the basis for his morning message “Who are You?” John the Baptist was different from any other religious person. The Pharisees wanted to know who he was. He told them that he was not important but that the one who is coming is, “This is the lamb of God who takes away the sins of the world.”

Congratulations to Mindi and Jeremy Doolin on the birth of their daughter, Audri Louise, who weighed 7 lbs. and 12 ozs. and 20 inches long. We are sure that Jerry and Becky Doolin, the new grandparents, are beaming.

Happy birthday to Roy G. Smoot and Michael Bruener.

Happy anniversary to Doug and Janice Bruener. Please pray for Jimmy Vannarsdall, Billie Ellis, Tommy Miller, Jimmy Burress, Micky Covey, Mary Ann Cook, Jerry Doolin, Doris Dawson, Bro. Chris Hagan, Mattie and Vernon Johnson, Marilyn Lancaster, Beverly McNay, Lenora Kelly Olds, Roy

Prather, Teresa Sharon, Robin True, Ann K. Waltz, Linda Webster, the tornado victims, our military men and women and their families, our leaders, and our great country.

Tonight at 7 p.m., the church will host a prayer meeting and Bible study.

On Saturday at 2 p.m., the church will host an Easter egg hunt.

On April 8, we will have “Sonrise Service” at 7 a.m., followed by a continental breakfast. At 11 a.m., the church will hold its Easter worship service and the Lord’s Supper.

This is the season of prayer and the Annie Armstrong Easter Offering for North American Missions.

### New Columbus Baptist

Friday at 6 p.m., we’ll have a taco/potato bar to raise funds for our church camps. The event is sponsored by the WMU and our youth will be serving. All donations will be accepted.

Sunday morning, the creative ministry team will have a special presentation at the opening of morning worship as this Palm Sunday marks the beginning of Holy Week.

Pastor Brad Vincent’s message will be titled “Worship the Rock or Rocks Will Worship,” citing Luke 19:28-44. By this time, Jesus was extremely well known and the city of Jerusalem was praising him as he rode into town. Yet, in a few short days, many of the same individuals were saying crucify him.

Join us Sunday as we examine ourselves to see if we are like the people of Jerusalem, and as we celebrate the Lord’s Supper.

Sunday evening at 7 p.m., we’ll be hosting youth Bible drills. This event is always awesome to watch, so come for a visit.

Easter Sunday early worship will be at will be at 8 a.m., followed by a potluck breakfast, then Sunday school at 10 a.m., morning worship at 11 a.m. and evening worship at 6 p.m..

### Old Cedar

Sunday was cloudy and a little cool, but out hearts were filled with the warmth and love of the Lord Jesus.

Bro. James message was taken from 2 Corinthians 4 entitled, “Is There Any Hope For Mankind?”

Paul was comparing our lives with the clay pots.

**LEGAL NOTICE**  
COMMONWEALTH OF KENTUCKY UNIFIED COURT OF JUSTICE OWEN CIRCUIT COURT CIVIL ACTION # 11-CI-00080  
US BANK NATIONAL ASSOCIATION PLAINTIFF VS. ROBERT KELLY, JR. ETAL. DEFENDANT NOTICE OF SALE  
By virtue of a Judgment and Order of Sale rendered in the Owen Circuit Court on the 6<sup>th</sup> day of March, 2012 I will sell at public auction to the highest and best bidder on the front steps of the Owen County Courthouse, at the hour of 10:00 a.m., on Saturday, April 7, 2012, the following described property:  
The following described property located in Owen County, Kentucky, to-wit:  
A house and lot on the South side of East Perry Street in the City of Owenton, Owen County, Kentucky, known as No. 113 East Perry Street bounded and described as follows:  
Beginning at the Northeast corner of the present residence lot of Mr. and Mrs. Harry Marston and running in an Easterly direction with the South side of Perry Street 96 feet; thence in a Southerly direction parallel with the line of Marston lot 166 feet 6 inches to Bryan Alley (now a part of the grade school property); thence in a Westerly direction 96 feet to the line of the Marston property; thence with its line in a Northerly direction to the beginning. Being the same property conveyed to Robert Kelly, Jr. and Crystal Kelly, husband and wife, by virtue of a deed from Brenda Joyce Bramblett as Executrix of the Martha Raisor Estate, dated October 13, 2006, filed November 6, 2006, recorded in Deed Book 220, page 23 in the Owen County Clerk's Office.  
The amount of money to be raised and for which this sale is being made is the sum of \$93,330.16 adjudged due to plaintiff on its first lien on the property, plus court costs and attorneys fees.  
The real estate shall be sold on the terms of 10% cash at the time of the sale, with the balance payable within 30 days, except that the deposit shall be waived if plaintiff is the successful bidder. Any purchaser, other than the plaintiff shall be required to execute a bond, with surety thereon acceptable to the Master Commissioner, to secure the unpaid balance of the purchase price, and said bond shall bear interest at the rate of 12% per annum from the date of the sale until paid, and shall have the same force and effect as a judgment and shall remain and be a lien on the property until paid. The purchaser shall have the privilege of paying all or part of the balance of the purchase price prior to the 30 day period.  
It is further provided that the property sold contains insurable improvements and the successful bidder at said sale shall, at bidder's expense, procure a policy of fire and extended insurance coverage on said improvements in the amount of the appraised value, or the unpaid balance of the purchase price, whichever is less, as a minimum, with a loss payable clause to the Commissioner of the Owen Circuit Court or the plaintiff herein. Failure of the purchaser to effect such insurance shall not affect the validity of the sale or the purchaser's liability thereunder, but shall entitle, but not require the plaintiff to effect said insurance and furnish the policy, or evidence thereof to the Commissioner if it so desires, and the premium thereon or a proper portion thereof shall be charged to the purchaser as purchaser's cost.  
When the purchase price is paid in full, title will be conveyed to the purchaser by commissioner's deed.  
The aforesaid real property shall be sold free and clear of any and all liens and claims except the following:  
a. All State and County real estate taxes payable on the property for 2012 and thereafter;  
b. Easements, restrictions and stipulations of record;  
c. Assessments for public improvements levied against the property;  
d. Any facts which an inspection and accurate survey of the property may disclose.  
For further information, see the Judgment, Order and pleadings of record in the Office of the Circuit Clerk of Owen County

The FreeStore Mobile Food Pantry will be at the First Christian parking lot Saturday from 9 a.m. until 11 a.m. Owen County residents in need for food should call the church (502) 484-3451 on Monday or Tuesday between 10 a.m. and 4 p.m. to reserve one of the 200 available vouchers.

### Report local storm damage in times of emergency

In case of severe storms, contact the emergency management office at 502-484-2791 to report any storm damage done to property. Contact the local fire department or the judge-executive's office at 502-484-3405 to make a report.

### Voter registration deadline approaches

The last day to register to vote for the May primary election is April 23, 2012. Contact the Owen County Clerk's Office to register.

### Kid art to go up for auction at Wild Goose Cafe

The Wild Goose Cafe is planning a kids' art show and silent auction to benefit the Caring Hearts Backpack Program. Artwork, such as paintings, drawings, photography and sculpture, will be displayed in a gallery-like setting while those in attendance will be given the chance to bid on the displayed art. Students of all ages are invited to submit work for consideration. For more details please contact Carrie Ashcraft-Sutton at 859-609-0090.

### Learn more about Owen birds at Audubon Society presentation

A bird identification program will be held by the Frankfort Audubon Society Thursday at the Owen County Public Library from 6 until 7 p.m. Scott Hankla, president of the Frankfort Audubon Society, and David Morgan will present a bird identification program. In this one hour introductory workshop, participants will learn the basics of birding, items needed, and good places to observe birds in Owen County. This free program will include a video on the four keys to bird identification and a slide show of local birds. All beginning birders and wildlife watchers are welcome.

### Book club announces selection

Books @ Noon Book Club will meet April 5 at the Owen County Public Library. Join others for a discussion of the March book club choice, When You Reach Me, by Rebecca Stead. Come talk about your favorite books and meet new friends. Also, pick up a copy of Shutter Island, by Dennis Lahane, for discussion in April.

### New classes being offered at learning center

The Adult Learning Center is beginning new classes and there is a seat with your name on it. Whether you need to earn your GED or update your skills for further schooling or career advancement, the adult learning center has a program. For more information, call 502-484-0405 or come by 60 Old Monterey Road, Monday-Thursday 9 a.m. to 3 p.m.

### Applications for summer camp available

4-H Summer Camp applications are available at the Owen County Extension Office. Camp will be held June 26-29 at North Central 4-H Camp. Deadline to apply is April 27. Space is limited.
